## **Details for Tier Rewards**

### **Amber Davis Art AKA SonicSweeti**

**All tiers include all bonuses from previous tier unless otherwise noted.**

#### **\$3 Newborn Kitten**

**High res images:** Delivered via Discord to avoid theft from Patreon website itself from scammers. If you are NOT in the Discord and wish to receive an image via High res, please let me know.

**Patreon Only Adopts:** These adopts remain open for claims to Patrons only for the remainder of the month, no matter how many days are left. Once the 1<sup>st</sup> arrives of the following month, adopts will be posted publicly. Claims must be made on Patreon post. No discounts apply on adopts.

#### **\$10 Fuzzy Kitten**

**One Doodle per Month:** Doodle may contain one fill body character and a small “micro” character, or two shoulders up full-size characters. Both characters MUST be Patron characters, or my characters. (ex: Your character with your friend xyz who is NOT a Patron is NOT permitted.) This keeps things fair for all other patrons as well as myself.

**Process Videos:** Patrons only are able to view these videos for the remainder of the month, no matter how many days are left. Once the 1<sup>st</sup> arrives of the following month, videos will be made public.

**First Dibs and 20% Discount on Prints:** Sometimes, prints are made for a limited run. Anyone in this tier can claim a print before I sell them publicly AND save 20%

on said print; shipping and handling fees still apply and vary depending on location being mailed.

**Patreon Only YCH:** These YCH (your character here) remain open for claims to Patrons only for the remainder of the month, no matter how many days are left. Once the 1<sup>st</sup> arrives of the following month, YCH will be posted publicly. Claims must be made on Patreon post. No discounts apply on YCH.

**Color your Monthly Doodle for only \$10:** You may request to have your monthly doodle colored for only \$10! You can ONLY go back as far as 3 months to request doodles for coloring. Discounts do not apply.

**\$20 Fluffy Cat**

**5% Discount on ANY commission [Max 2 per month]:** Offsite commissions apply, may only be used twice in a one month period. These cannot be “saved” or “transferred” to following months. If the discount is not used in the current month, they are forfeited. All base pricing via my price sheet.

**Save 10% on items in my Etsy Shop (up to \$50):** You will be provided a code to use for any purchase made in my Etsy shop to be used, as many times as you like, as long as you remain a Fluffy Cat Patron. This code is NOT transferrable and should not be shared with anyone outside the Fluffy Cat Tier.

**\$50 Regal Leopard**

**Experimental Digital Illustration (One character, we discuss style, pose, etc):** There are many styles and ideas I’d like to try but I often don’t get to try them during regular commissions. This tier gives me the opportunity to try new things. You may give direction before I begin work, but I do *thrive* on artistic freedom. You are NOT guaranteed a “full body” as it is what the experiment tier calls for; sketch is shown beforehand for you to request alterations etc in that phase. Once illustration

is complete, it is final. Low resolution is posted to Patrons and ONLY YOU receive the high res jpg.

### **\$100 Divine Feline**

**10% off Patreon Exclusive Commission:** Patrons see it 30 days before the public, includes WIP's, and process videos, if applicable. Since this is a Patreon exclusive, commission MUST be SFW. Cannot be combined with any other discounts.

**Experimental Digital Illustration PRINTED, SIGNED, Mailed to you!:** Only YOU have access to this high res image, and now you can have your very own, one-of-a-kind print signed by me personally and mailed to you! You do NOT pay shipping fees as it is part of this tiers cost. Size is 8.5" x 11" on cardstock.

**4 x 6 Traditional Artwork created just for you, limited color palette (you choose character) done in markers and ink, original mailed (with your print):** You may dictate what I draw and colors, but I thrive on artistic freedom. Due to the size of the work, full body may not be an option. Sketch will be shown beforehand to get approval before I move to finishing. Once illustration is complete, it is final.

### **Examples:**

**7% Discount on ANY commission [Max 2 per month]:** Offsite commissions apply, may only be used twice in a one month period. These cannot be "saved" or "transferred" to following months. If the discount is not used in the current month,

they are forfeited. All base pricing via my price sheet. Cannot be combined with any other discounts.

I know some Patrons may not be into receiving physical things like prints or traditional drawings; I am open to swapping those perks for something else digital, non shippable. If you are truly interested in this tier, please message me privately to discuss your options.
